

## WE ARE ADONAI

We are Adonai. We are elated to deliver this message to you for we are knowing that you are ready.

Today we are going to discuss worth and deservingness on all levels of your being, not just monetary resources.

However, we will include that.

Your worth is not indicative of what you have externally. Take a deep breath.

We will say again, "Your worth is not indicative of what you have externally."

For underneath the beliefs and constructs in which you have inadvertently placed in your energetic stance, Underneath all of that is who you truly are.

In case you were wondering, who you truly are is God, Adonai and heaven personified, and you came here to live heaven on earth and beyond.

If you find yourself in a position of the illusion of not living Heaven On Earth

and beyond, It is simply because your belief systems and constructs are reflecting something different.

Today, we want to explore Loving yourself and allowing the true version of you to emerge so that you may live Heaven On Earth and beyond and also experience the financial freedom, the health, all of the Love in which you have been seeking for quite some time.

you see what you currently believe in has been taught to you by many of your human counterparts and we would not call it wrong. However, we would call it lower -level energetic stances.

It shows up based on belief and a cycle continues as long as you choose to believe in the illusion of lack and limitation.

We have said this many times, however, we would like to reiterate, you are not here to experience turmoil, strife, trauma, frustration, anger. You name the lower -level energy, you are not here to experience it.

## WE ARE ADONAI

You are, however, here to experience all of God's Love materialized in all forms for you and to allow it to grow and expand infinitely, as You are an infinite being that resides in heaven simultaneously as you are residing here on this earthly plane.

Take a deep breath.

The key to everything that you seek is Love.

The key to everything that you seek is coalescing with your true self and with all of us.

For we are all interconnected. We are all a part of you and you are a part of us.

We are never separate from each other. There is nothing and no one that can sever this connection, no matter what your circumstance. You will always be connected and Loved by all of God(Adonai) and heaven and your heavenly self.

We will say it again no matter who you are, no matter what you have done, no matter what circumstance you find yourself in, in this temporary right now moment, you are God(Adonai) and heaven personified and we are you.

You are infinitely Loved.

You are never separate from us, from your true self.

What is occurring is your belief systems rooted deep within you that you have Believed or true for many of your human years. It is time now to elevate them into truth. It is time to Love them as they are right now. It is time to Love yourself as you are right now. For Love is the only thing that is real.

Anything less than Love is complete and utter Illusion and Love will immediately dissolve anything that is not like itself.

Take a deep breath.

## WE ARE ADONAI

We are knowing that at times when you are spinning your wheels in your belief systems that it may be difficult for you to express and feel Love. That is where we come in. We are knowing that you are open enough to receive this message. Therefore, you are open enough to receive Love.

Would you agree?

Love is the common denominator in all things.

It is the common denominator in this entire universe and it is what operates every single component from the tiniest molecule to the largest skyscraper in your physical plane.

Love is the only thing that is real So if you begin to Love every aspect of yourself, Would that not Bring about Reflections in the external that will yield only love?

You see your internal energetic stance reflects in your external world.

Therefore what you believe in is going to be what you experience.

What if you decided to believe in Love, to believe in coalescing with all of God(Adonai) and heaven on all levels of your being?

Would that not immediately eradicate all binds and illusions?

Would that not open you up to more growth and expansion with that Love?

You are truly a magnificent being and you deserve Love on all levels of your existence. You are Love on all levels of your existence.

You are worthy of all of God's Love and all of the Love that your heavenly self has for you.

We will always suggest going within and listening to your heart and your breath. perhaps a mantra, perhaps focusing solely on Love within. There are many ways to withdraw and remind.
