And that Truth is that Love is the only thing that is real

we are wanting you to know that the reason for which you came and materialized yourself into this physical apparatus in which you temporarily reside, was simply to live Heaven On Earth and materialize God's, Adonai's, and Heaven's love on all levels at all times in all of your life experience.

If there is anything that you are experiencing that does not feel like God's, Adonai's, or Heaven's Love, it is because it is not real and it is bind and illusion.

There have been many misconceptions and misunderstandings from many of your human counterparts who have been taught as have you that binds and illusions are real we are here to eradicate those binds and illusions assist you in dissolving them and assist you in remembering your truth and who you truly are down to the very core of your entire being.

We would like to elaborate on who we are, we are God, we are Jesus, we are all angelic beings, all choirs of angels, all masters, all beings of the light, we are all of heaven.

There are countless amounts of us. We have joined together and are coming through this channel at a very high vibration and frequency and very strong undeniable energy so that you may remember with great ease and quickness.

We are wanting you to know that you are always surrounded by us. You are always a part of us and we are a part of you. There is nothing that can take that away from you. It's your birthright. It is who you are.

We are going to elaborate this one more time for it needs repeating You are God, Adonai, and Heaven personified.

You materialized and came forth from heaven. You reside there energetically. And once you feel that your time on this earthly dimension is complete, that is where your consciousness will merge and grow and elevate.

We would like to remind you that you did not come here to experience strife, turmoil, trauma, guilt, judgment, or anything of the like.

You came here to live heaven on earth and we are here to remind you of this and we will continue to remind you of this every single moment of every one of your days. For you have a direct connection with us just as our channel does.

Every single of the beings that reside here on this earthly plane are directly connected with us.

We are you and you are us.

Take a deep breath.

We are wanting you to know that there is nothing and no one standing in your way.

We are wanting you to know that heaven on earth is already here

A minor shifting and elevating of your focal points will show you and reveal this to you.

You lack nothing, for lack does not exist.

We would like to introduce to you the idea of loving everything and resisting nothing.

For as you love everything and resist nothing, you are able to move quickly and easily through binds and illusion.

For love dissolves and eradicates anything that is not like itself.

You are the love of God, Adonai, and Heaven, personified.

Within you is the flow of all of love. At all times.

All we ask from you is for you to ask us for assistance in awakening your eyes energetically and physically so that you may begin to truly experience and see this on all levels of your being.

Everything begins within. And beneath your materialized physical apparatus beneath the beliefs and binds and illusions lives your truth deep within your heart and your entire being is the consciousness and the love from which you came.

This consciousness and love from which you came is always vibrating at the frequency of God, Adonai, and Heaven. There are no exceptions to this.

Take a deep breath.

We are asking that you ask us to assist you in operating from your true self, your true consciousness.

Ask us to elevate your being and all of your beliefs to love and to Heaven On Earth.

We are always here with you, and we never leave

You asked us to walk with you throughout your entire human experience

Before you came forth and materialized, you asked us to remind you if you ever Got distracted from binds and illusions You knew The reason that you came here was to live heaven on earth and You knew that at this right now moment would be a time of great awakening and remembering for you.

You also knew the importance of sharing this with others who are asking as well.

You also knew the importance of seeing everyone as God, Adoni, and Heaven as well.

You knew the importance of seeing everything as God, Adonai, and Heaven.

You knew that as you did this, it would elevate and remind you as well, for you are all connected, and everything that you experience on your external materialized plane is simply a reflection of what is going on within.

Therefore, when you operate solely on love and the core of your being, your heavenly self, and you see others the same, you understand that it is you who you are loving. It is you who brought forth these experiences based on your internal energetic stance.

Take a deep breath. We are wanting you to know that through your journey with us, it is a lifetime practice.

We will always remind you and lead you to heaven on earth and beyond. You are safe.

You are right where you need to be, doing exactly what you need to be doing.

There is nothing that can stand in the way of us or the love of God, Adonai, and Heaven.

We are here to show you the simplest, easiest, most amazing, quickest way to living heaven on earth and beyond.

And in seeing your human and...and non-human counterparts as the same as you see others and things as living heaven on earth and as the love from which they came it elevates all

And as you do this, it brings within you a higher energetic stance which will in turn materialize into more and more love within your life experience and the life experience of others.

It all begins within and it all begins with a shift in belief and an elevation upward.

You are truly magnificent. We look forward to bringing you into higher states of consciousness and awareness.
